Policy Wording

This Policy is issued by Petrolimex Insurance Corporation (herein called “the Insurer”).

This is a claims made policy. Please read this policy carefully. Some of the provisions contained in this policy restrict coverage, specify what is and is not covered and designate rights and duties. Legal defense expenses are subject to and will erode the limits of liability and any applicable deductible.

Throughout this Policy the words “the Insurer” shall refer to the company providing this insurance. Other words and phrases that appear in quotation marks have special meanings and are defined in Section V. - Definitions.

In consideration of the payment of the Premium and in reliance upon all statements made in the Application to this Policy, including the information furnished in connection therewith, and subject to all terms, definitions, conditions, Exclusions and limitations of this Policy, the Insurer agrees to provide insurance coverage to the “insured” as described herein.

The declarations, together with the completed and signed application, this policy, and any Endorsements or schedules attached hereto, constitute the insurance policy.

I. Insuring Agreements

The Insurer agrees to pay a third party on behalf of the “insured” for Coverage(s) provided, as identified on the Declarations for:

A. New Pollution Conditions

“Claims”, “remediation costs”, and associated “legal defense expenses”, in excess of the “deductible”, arising out of a “pollution condition” on, at, under, or migrating from the “covered location(s)”, provided the “claim” is first made, or the “insured” first discovers such “pollution condition” during the “policy period”. Any such “claim” or discovery must be reported to the Insurer, in writing, during the “policy period” or any applicable “extended reporting period”.

The coverage afforded under this Section I.A. only applies to “pollution conditions” that first commence, in their entirety, on or after the policy inception date shown in Item 2.a. of the Declarations.

B. Pre-Existing Pollution Conditions

“Claims”, “remediation costs”, and associated “legal defense expenses”, in excess of the “deductible”, arising out of a “pollution condition” on, at, under, or migrating from the “covered location(s)”, provided the “claim” is first made, or the “insured” first discovers such “pollution condition” during the “policy period”. Any such “claim” or discovery must be reported to the Insurer, in writing, during the “policy period” or any applicable “extended reporting period”.

The coverage afforded under this Section I.B. only applies to “pollution conditions” that first commenced, in whole or part, prior to the policy inception date shown in Item 3.a. of the Declarations.

II. Limits Of Liability And Deductible

- A. It is expressly agreed that the Insurer’s obligation to pay for any covered “claim(s)”, “remediation costs”, or “legal defense expense(s)” shall attach to the Insurer only after the “insured” shall have paid, in the applicable legal currency, the full amount of the “deductible”. Under no circumstances shall the Insurer be liable to pay any amount within the “deductible”.
- B. The “deductible” shall apply to all “claim(s)”, “remediation cost(s)”, and “legal defense expense(s)” arising from the same, continuous, repeated, or related “pollution condition”.
- C. With respect to Coverage A., and subject to Paragraphs D. and G., below, the most the Insurer shall pay for all “claims”, “remediation costs”, and “legal defense expenses” arising from the same, continuous, repeated, or related “pollution condition” is the new limit of liability of the Declarations.
- D. With respect to Coverage A., and subject to Paragraph G., below, total liability limit of all new pollution incidents of the Declarations shall be the maximum liability of the Insurer under this Policy with respect to all “claim(s)”, “remediation cost(s)”, and “legal defense expense(s)” for all “pollution conditions”.

- E. With respect to Coverage B., and subject to Paragraphs F. and G., below, the most the Insurer shall pay for all “claims”, “remediation costs”, and “legal defense expenses” arising from the same, continuous, repeated, or related “pollution condition” is the Limit of liability per pre-existing of the Declarations.
- F. With respect to Coverage B., and subject to Paragraph G., below, total liability limit for all pre-existing pollution of the Declarations shall be the maximum liability of the Insurer under this Policy with respect to all “claim(s)”, “remediation cost(s)”, and “legal defense expense(s)” for all “pollution conditions”.
- G. The total liability limit for the entire policy of the Declarations shall be the maximum liability of the Insurer under this Policy with respect to all “claim(s)”, “remediation cost(s)”, and “legal defense expense(s)” for all “pollution conditions” under Coverages A. and B.
- H. If the Insurer, or an affiliate, has issued claims-made Premises Pollution Liability coverage for the “covered location” in one or more policy periods and:
 - 1. The discovery of a “pollution condition” is reported to the Insurer in accordance with the terms and conditions of this Policy, then all such continuous, repeated, or related “pollution conditions” that are reported to the Insurer under a subsequent Premises Pollution Liability Policy shall be deemed to have been discovered during this “policy period”; and
 - 2. All “claims” for “bodily injury”, “property damage”, or “remediation costs” arising out of a “pollution condition” that was discovered during this “policy period”, including any continuous, repeated, or related “pollution conditions”, shall be deemed to have been first made and reported during this “policy period”,

provided that the “insured” has maintained Premises Pollution Liability coverage with the Insurer or an affiliate on a continuous, uninterrupted basis since the discovery of such “pollution condition” or the first such “claim” was made against the “insured”, and reported to the Insurer.

III. Defense And Settlement

- A. The Insurer will have the right and the duty to defend the “insured” against a “claim” to which this insurance applies. The Insurer shall have no duty to defend the “insured” against any “claim(s)” to which this insurance does not apply. The Insurer’s duty to defend ends once the Limits of Liability are exhausted or are tendered into a court of applicable jurisdiction, or once the “insured” refuses a settlement offer as provided in Paragraph E. below.
- B. The Insurer will have the right to select legal counsel to represent the “insured” for the investigation, adjustment, and defense of any “claim(s)” covered under this Policy. Selection of legal counsel by the Insurer shall not be done without the consent of the “insured”; such consent shall not be unreasonably withheld. “Legal defense expenses” incurred prior to the selection of legal counsel by the Insurer will not be covered under this Policy, or credited against the “deductible”.
- C. The “insured” will have the right and the duty to retain a qualified environmental consultant(s) to perform any investigation and/or remediation of any “pollution condition” covered under this Policy. The “insured” must receive the written consent of the Insurer prior to the selection and retention of such consultant, except in the event of an “emergency response”. Any costs incurred prior to such consent will not be covered under this Policy, or credited against the “deductible”, except in the event of an “emergency response”.
- D. “Legal defense expense” reduces the Limits of Liability of the Declarations and shall be applied to the “deductible”.
- E. The Insurer will present all settlement offers to the “insured”. If the Insurer recommends a settlement which is acceptable to a claimant, exceeds any applicable “deductible”, is within the Limits of Liability, and does not impose any additional unreasonable burden(s) on the “insured”, and the “insured” refuses to consent to such settlement offer, then the Insurer’s duty to defend shall end. The “insured” shall defend such “claim” independently. The Insurer’s liability shall not exceed the amount for which the “claim” could have been settled if the Insurer’s recommendation had been accepted, exclusive of the “deductible”.
